

RULING DELAYED ON IRWIN'S JOB

Judiciary Committee of
Presbytery Puts off
Its Decision

MANY READY TO BAIL

Scores of Friends of Minister
Prepared to Help Him
But Can't Find Judge

By Associated Press Staff Wire.
ANADARKO, Okla., June 13.—
Decision as to the removal from
the ministry of the Rev. Thomas J.
Irwin of Lawton was deferred today
by the judiciary committee of the
Presbytery meeting here. The
committee named recently to
investigate charges lodged against
the minister announced a final re-
sult was not ready. It was indi-
cated by members of the judiciary
that the matter would come up
again at a meeting to be held here in
about a month. Reverend Irwin was
charged with conduct unbecom-
ing a minister, the allegations result-
ing largely from a marriage ceremony
performed last summer by the min-
ister, a swimming pool in which
the principals were attired in bath-
ing suits. Reverend Irwin has recently
been the center of a bitter church
controversy in Lawton which re-
sulted in his resignation as pastor
of the First Presbyterian church
there. He is now awaiting trial in
district court there on a charge of
arson growing out of a series of
small fires in his former church.

LAWTON, Okla., June 13.—Num-
erous friends of the Rev. Thomas
J. Irwin, former pastor of the First
Presbyterian church here and H. C.
Lewis, former pastor of the same
church, are ready to make bond for
the two to insure their freedom pending
trial at the next term of district
court on charges of arson in connec-
tion with an alleged incendiary
fire at the church last April.

couldn't find Justice.
he bonds in the sum of \$750
each, were ordered perfected yester-
day, but half a hundred friends of
the defendants sought Justice S. H.
Harper without success. The pastor
said he would be on a fishing
expedition. It was expected he
would be at his court today to ap-
prove the bonds. Mr. Irwin and
Mr. Lewis have been at liberty on a
small bail since information were
filed against them.

A decision as to whether Mr.
Irwin will be expelled from the
community of the Presbyterian
church was expected to be an-
nounced today by the judiciary
committee of the El Reno Presbytery.
The committee was scheduled to
meet at Anadarko, near here.

transportation (Esch-Cummins) act
of 1920, which returned the rail-
roads to their owners after federal
control and now provides for gov-
ernment regulation, will not be
changed immediately.

The house interstate commerce
committee voted today to postpone
until December further hearings on
bills to repeal the rate making sec-
tions of the act and limit the juris-
diction of the interstate commerce
commission over intrastate rates.

British Retake Ulster Town After Attack on Irish Army

The small town of Pettigo on the Ulster borderland has been retaken by British troops from the Irish Republican army in the first offensive action of the British. Several thousand Tories took part in the attack and it is reported that the Republican army suffered fairly heavy losses. Infantry, cavalry, artillery and whippet tanks took part in the drive, the first action taken in an effort to clean up the border area by the British. This picture shows British Tories entrenched and waiting for trouble.

Need Half Million for National Lepers' Home

WASHINGTON, June 13.—A sup-
plemental list estimated at \$500,000
for enlarging the national home for
lepers at Carville, La., was asked in
a communication to the house today
by the president. At the same time
the president transmitted a report to
Director Dawes of the budget bureau
saying there were no accurate
figures to the number of lepers in
the United States, the estimate vary-
ing from 500 to 1,200. The funds
sought will be used in increasing the
home from a 135 to 400-bed capacity.

United States public health service
experimenters have proved that the
leprosy bacteria can be killed by small
streams without injuring them.

Calomel Good but Next Dose may Salivate

It is Mercury, Quicksilver,
Shocks Liver and Attacks
Your Bones

Calomel salivation is horrible. It
swells the tongue, loosens the teeth
and starts rheumatism. There's no
reason why a person should take
sickening, salivating calomel when a
few cents buys a large bottle of
Doddson's Liver Tonic—a perfect sub-
stitute for calomel. It is a pleasant
vegetable liquid which will start
your liver just as surely as calomel,
but it doesn't make you sick and can
not salivate.

Calomel is a dangerous drug, be-
sides it makes you feel weak, sick
and nauseated tomorrow. Don't lose
a day's work. Take a spoonful of
Doddson's Liver Tonic instead and you
will wake up feeling great. No salts
necessary. Your druggist says if you
don't find Doddson's Liver Tonic acts
better than treacherous calomel
your money is waiting for you—

U. S. Still in Need OF It's Army, Weeks Tells Student Body

WEST POINT, N. Y., June 13.—

does not need an army were met
by Secretary Weeks of the war

graduating exercises of the United
States military academy today

"civilization of the world rests on
no surer foundation than did the
civilization of Boston" at the time
the police strike nearly three
years ago.

Deny Report of British Troop Deaths by Turks

LONDON, June 13.—It was of-
ficially stated today that there is no
authority for news contained in a
semiofficial dispatch from Athens
last night reporting a Turkish
massacre of 12 British soldiers near
the Dardanelles. The report, it is
explained, apparently referred to an
incident which occurred a fortnight
ago, when three British casualties
resulted from an encounter with
brigands 150 strong south of Chanak
Kaleesi, Asia Minor.

CHICAGO, June 13.—The am-

The alcoholic breath, Tyler
